Meeting Protocol

- ❑ Be prompt in attending SILC and committee meetings.
- ❑ Only SILC members and staff will sit at the table, unless the Chairperson invites others in attendance to join them at the table.
- ❑ Only one person speaks at a time. In order to obtain the floor and address the SILC, all in attendance – members, staff and public – must be recognized by the Chairperson and given permission to do so.
- ❑ To gain recognition of the chairperson, raise your hand and/or address the Chairperson as appropriate i.e., Mr. Chairperson; Ms. Chairperson.
- ❑ If two or more members seek recognition of the chairperson at the same time, the chairperson will determine the order in which they will be invited to address the SILC.
- ❑ If a person has already spoken to the issue, and wishes to speak to it again, others who have not yet spoken to it will first be given opportunity to speak.
- ❑ Private conversations are not to be conducted during the meeting. The chairperson has the authority to ask others, who have not been given the floor, to refrain from talking while someone else has the floor (this is true for all in attendance – members; staff; public)
- ❑ Remind participants that this is the time to say something, if they have something to say. It will do little good for them to express their dissatisfaction with what was said or agreed upon after the meeting is over.
- ❑ People need to speak on the subject being discussed.
- ❑ Comments and discussions need to address issues.
- ❑ Listen alertly and with an open mind.
